# GRAND OPENING AND RIBBON CUTTING OF SHAFTER MEDICAL PLAZA

Dr. Ayodeji Ayeni had a passion and a vision to do something more. To continue serving the medically underserved communities of Kern County. With this vision he set out his mission and chose an empty dirt lot next to Rite Aid and built, that is now Shafter Medical Plaza.

Shafter Medical Plaza offers a variety of services and is home to Shafter Pediatrics, Physicians Automated Laboratories (PAL), Stockdale Radiology, and APEX Shafter Urgent Care. They are all here to deliver excellent care to the community of Shafter and surrounding areas.
